An Easter Story

Marsha's favourite time of the year is spring and her favourite holiday is Easter. Marsha loves to paint eggs for Easter. She usually paints the eggs different colors like red, green, blue, pink and purple. She doesn't like yellow or orange so she never paints her Easter eggs, yellow or orange.

Marsha also likes putting the eggs in the garden so her sister, Tina, can find them. After Tina finds the eggs, the sisters eat the special chocolate bunnies that the Easter Bunny leaves for them each year. Tina always gets a white chocolate rabbit because she is allergic to chocolate. Marsha thinks white chocolate is delicious and believes her sister is very lucky.
