In **the** 1990 the British government introduced ASBOs
(in order) to embark anti-social behavior and teenage crime.

The British government introduced ASBOs for combat the teenage crime.

The British government introduced ASBOs (in order) to fight the teenage crime.

This rules say who the person can meet, when I can go, what the person can do.

These rules say who the person can meet, when the person can go, and what the person can do.

These rules say:

-
-
- time when you go at home

These rules say:

-
-
- time when you have to go back home

The crime that I see from my city are theft, robbery and burglary.

The types of crime that I see in my city are theft, robbery and burglary.

I was on the road at 2 o'clock when happened this.

I was walking down the street at 2 o'clock when this happened.

In the bag was my trainers.

In the bag there were my trainers.

This is happened when I was going to home.

This **is** happened when I was going **to** home.

Some people like to do vandalism, perhaps for bore.

Some people like vandalizing public properties, perhaps because they are bored/they have nothing to do.

In my town I see only pictures in the walls.

In my town I see only pictures **on** the walls.

Mine is a quiet neighborhood, then there are other types of disreputable neighborhoods, there are presences of crime and drugs.

Mine is a quite neighborhood, but there are other types of disreputable neighborhoods, in which/where there is crime and drugs.

I don't remember who and why have an ASBO in my town.

I don't know who has an ASBO in my town, or why, [...]

I've never see anti-social behavior.

I've never **seen any** anti-social behavior.

I listen of them at the television news.

I hear about them on the news.

I think that in Italy there are a lot of anti-social behavior and teenage crime; maybe in Italy not so much than in England.

I think that in Italy there **is** a lot of anti-social behavior and teenage crime; maybe in Italy not so much **as** in England.

In my town there are some anti-social behavior and teenage crimes; for example, spray graffiti or steal some money or vandal a lot of monument.

In my town there are some anti-social behavior and teenage crimes; for example, some people spray graffiti or steal some money or vandalise a lot of monuments.

In Italy (for me) an ASBO don't resolves the problem.

In Italy, in my opinion, ASBOs wouldn't solve the problem.

For me, to stop the teenage crime the police would be more severe.

In my opinion, to stop ~~the~~ teenage crime the police should be more strict.

I think that is right put some teenagers in jail for understand
[...]

I think that **it** is right **to** put some teenagers in jail **so they can understand** [...]

Other solution could be: a teenager prison or a place where there are people who assist they.

Other solutions could be: a teenager prison, or a place where there are people who assist them.

Another solution for anti-social behavior is community service and the reintroduction of military service in Italy.

Another solution for anti-social behavior is community service.

Also, the reintroduction of military service in Italy could help.

About me, this programme is very strong.

In my opinion, this measure is very strong.

The police can (scambiare) you for a vandal... because dress in a certain way.

The police can **mistake** you for a vandal... because **you** dress in a certain way.

Often this activities is a replacement of the penalties [...]

These activities are often a replacement for the penalties [...]

I'm against ASBOs because I think it's needless give to teenagers stupid rules.

I'm against ASBOs because I think it's **useless/pointless** to give **to** teenagers stupid rules.

They can make teenagers even more rebels.

That can make teenagers even more rebellious.
