

FMM – Frequently Made Mistakes (PART 3)

There is a CCTV camera in my city.

There are CCTV cameras in my city.

I hate the CCTV cameras, and I think they are not a vantage for the city.

I hate the CCTV cameras, and I think they are not an advantage for the city.

I would like to be in a reality show like the 1900 house because I would can talk more with my family.

I would like to be in a reality show like the 1900 house because I would be able to talk more with my family.

oppure, semplicemente:

I would like to be in a reality show like the 1900 house because I would talk more with my family.

For me, the most part difficult would be don't watching the TV for 3 months because I like watch Football Channel.

For me, the most difficult part would be **to not watch** the TV for 3 months because I like **watching** Football Channel.

If I been on a reality show I would travel back in time with this experience!

If I **were** on a reality show I would travel back in time with this experience!

I would like it but I should accustom.

I would like it but I should get used to it.

Near my home there isn't a CCTV camera, but if it is private property then they are installed.

Near my home there isn't **any** CCTV camera, but in private properties they are usually installed.

even better:

but they are usually installed in private properties.

The our society is becoming a “Big Brother” society.

The our society is becoming a “Big Brother” **like** society.

I think the camera is helpful for understanding the people who commit crimes.

I think the camera is helpful for identifying the people who commit crimes.

I think the hardest part for me would have been the non-use of the technology.

I think the hardest part for me would have been

- to not use

- to be without

the technology.

Teenagers like me use it in abundance. Even the washing machine would be a problem.

Teenagers like me use it a lot. Even

- doing the washing
- the laundry

would be a problem.

I never had the opportunity to try to wash my clothes without the washing machine.

I **have** never had the opportunity to try to wash my clothes without the washing machine.
